

Word of the Week: Worship
Sermon Questions

1. What is typically running through your mind when you arrive for worship at Church?
2. Share a time when you strongly sensed God's presence and power as you worshipped Him with others. What was that like?
3. What do you find most meaningful about worship services at VBUMC?
4. Which worship style do you prefer, Traditional or Modern? Why do you think you prefer that style?
5. Pastor Mark points out that what matters most in worship is that we truly give praise to God and not sit passively like a spectator. Do you agree or disagree?
6. The important question after a worship service ends is not "was I pleased with the quality of the worship service?" but rather, "was God pleased with the quality of my worship?" How does that shift in focus impact how you experience a worship service?
7. Why is it still important for musicians, preachers and worship leaders to put forth serious effort at creating high quality worship services?
8. Why do you think some people elevate their worship style to a level of Spiritual superiority over other styles?
9. Why might it be important for churches to offer worship services in more than one worship style?
10. Why would it be important to worship publicly at church with other Christians every Sabbath Day? What does regular weekly worship do for a believer? What does it communicate to God?
11. Read John 4:19-24. What do you think it means to "worship God in Spirit and in Truth?"
